The PASSION of GOD

God, our Father who dwelt in Himself from where He created the heavens and the earth, and made heaven His throne for administrative purposes has one passion – **to dwell with man that bears His image.**

So He told Israel that He brought them out of Egypt not just to give them a nation of theirs but to dwell among them (Exod. 29:46).

All through the chapters of the Bible, this passion of God is hidden, but the Holy Spirit is unfolding it globally through this Ministry in our monthly magazines to Ministers (**The Ministers Alive**) and Christian CEO's (**The Jesus Dream Classics**).

And finally, we see God excited when His passion is accomplished (Rev. 21:3). Today, this passion of God is achievable only through our **Organic Union** (unity) as revealed in the scripture below

*"In Christ we all (Jews and Gentiles) are being built up together in **Organic union** to become the dwelling place of God through His Spirit (Eph. 2:22).*

But the church is almost totally focused on who we are in Christ and what we have in Christ, that meets our needs not what Christ will have us do (unite) to meet God's need.

This is the vision of this Ministry, to stir believers to go beyond living for our needs to be met by God to being used by Christ to meet God's need which was His first request from Israel.

We are not chosen to only know **who we are in Christ** and **what we have in Christ**; but also **what we must do in Christ** – *Love one another and in humility, unite for God's dwelling.*

Names, places and times are mentioned in this Ministry sometimes as directed by God to make His move by the Holy Spirit among us authentic just as the Bible was written.

This is a fine hour to stand up for a selfless cause, above: **My** church, **My** family, **My** business, **My** country, **My** Pastor, **My...** to **The** body of Christ. It carries a separate blessing because it's not a **My...**(self) but **The...**(selfless).

EMMANUEL Oje **EHIMIKA** (Preacherman)

Visionary: **The Jesus Dream**
The Ministers Alive

HEAVEN & EARTH IN A *Holy Kiss*

In heaven the 24 elders worship God day and night saying; *"Thou art worthy, O Lord, to receive glory and honour and power; for thou has created all things (work), and for thy pleasure they are and were created"* (Rev. 4:11).

On the day of Pentecost when the church was born, the Holy Spirit stirred the disciples to declare the wonderful works of God. *"...Cretes and Arabians, we do hear them speak in our tongues the wonderful works of God"* (Acts 2:11).

So when the elders in heaven tell God about His works, believers on earth will be telling God about His works too! A holy kiss in worship takes place, then the will of God would have been done on earth as it is in heaven (Matt. 6:10).

Your entire family and friends must not miss worship at this hour. Spread it on all platforms.

AIT TRUMPET

CHRISTIAN CEO's IN POSITIONS

After the joint world press conference with the President of the **Christian Association of Nigeria (CAN)**, **Pastor Ayo Orisejafor** in which he officially announced that all Christians in Nigeria should support **The Jesus Dream Worldwide Worship Hour (TJD)** as a good thing from Nigeria to the world, I and Dr. Catherine Okpareke; mni visited the **African Independent Television (AIT)** headquarters in Abuja to meet with the **Managing Director, Dr. (Mrs) Tosin Dokpesi** in a three minutes encounter while standing. The Lord spoke through me to her to use her office to advertise **TJD** for heaven. Immediately she obliged and **AIT** began to trumpet **TJD** and millions across the world began to worship God because of her decision like Esther who knew why God had placed her in the position at the time. We don't remain in certain positions forever but while we are there we must glorify God with

them; not just to pursue earthly gains. Now we receive free adverts to the tune of millions of dollars free worldwide but **AIT** was the starting point because of a discerning child of God. Then **NTA** International gave us **free** adverts, and then **Guardian, Vanguard, Mirror** etc. all began to help advertise **TJD** free of charge. Today, **TJD** is fully established in the hearts of hundreds of millions across the world.

As you read this magazine see how **AIT** has stirred up **TJD** in churches. There would be a huge number of churches in same category we have no records of.

Use your position, wealth etc. to advance God's Kingdom. It's only 120 years spent here on earth, but what you do with it will affect you for endless eternity.

Use your position now to advance **TJD**, pulling down walls in the global body of Christ for God to dwell in a magnificent house. The blood was shed for this purpose- Organic Union (John 11:51-52).

CHURCHES & TJD

ARCHBISHOP MARGARET BENSON-IDAHOSSA'S Classic Example

I walked into my office just on time to catch a glimpse of the **TJD** advert on **Africa Independence Television (AIT)**. I copied one of the telephone numbers of **TJD** and got across to the **TJD** office. After I was well briefed by the SSA to the Preacherman, I called the Archbishop of my church, **Church of God Mission International (CGM) Archbishop Margaret Benson-Idahosa** on the phone immediately.

I know her passion for the unity of the body of Christ. I shared **TJD** with her and she immediately instructed that a circular letter be prepared and sent out to all the Church of God Mission branches worldwide to participate. She felt that since it had to do with the advancement of the kingdom of God, the church also

should partake in it.

I got across to Australia, U.S.A and United Kingdom. I went on my Facebook and advertised it. To the glory of God, **TJD** was observed by Church of God Mission globally.

**Rev. Alex Iduh - Public Relations Officer,
Church of God Mission Inc., Benin City,
Nigeria.**

One day, a man recognized Preacherman at Zenith Bank; and introduced himself as Daniel Aigbe-Ojo Agbonze, District Presbyterian, C.G.M, Evbareke District, Benin City.

He said; *"Circulars were issued from the Headquarters (Church of God Mission International) that all members of the C.G.M should observe the **TJD** hour on Tuesday, June 30, 2015.*

*I and my family were waiting to observe **TJD**. Before the stipulated time, we had a visitor. When it was **TJD** time, members of my family quietly left us. It was when I heard them **declaring the wonderful works of God** I realized it was time. I quickly excused myself.*

*Amazingly, I heard other people within our neighbourhood that are not members of our denomination, from different churches also declaring the wonderful works of God. Then it dawned on me that there is something else to what I thought **TJD** was and I wished **TJD** be held more than just once a year."*

I announced to my congregation that we should observe the **TJD**. I didn't tell them to invite people, but to my amazement, my church members were all present. **I began to see new faces who came into the church on their own to observe TJD.**

The church hall was filled to capacity and then the space outside the church building began to fill up. It was totally unexplainable.

Pastor Adesanya J. A., The Christ Redeemed Evangelical Mission, Abeokuta, Ogun State, Nigeria.

DOMINION CHAPEL INT'L, CHURCH, ABUJA, NIGERIA

The **TJD** 2016 hour was observed in **Dominion Chapel Int'l Church, Abuja, Nigeria**, under the leadership of **Archbishop John Praise**. The congregation included brethren from **Togo, Benin Republic, South Africa, Botswana, Canada, Cameroon and Ghana**. Pastor Solomon Lange led the **TJD** worship hour.

FOURSQUARE GOSPEL CHURCH, ABUJA, NIGERIA.

“To our surprise at the **TJD** hour, the church was totally full with people. We started to worship and it was electric. **The media crew instead of recording, as usual, dumped their equipment.** I had wanted the event recorded because of the way the Spirit was moving, but I couldn't stop them from worship”.

Rev. M. A. Babatunde, Foursquare Gospel Church, Nanya, Abuja, Nigeria.

ACTION CHAPEL INTERNATIONAL, GHANA

“It was joy getting in touch with you on this project, **TJD**. We were so delighted to come into agreement. Preacherman, as a prophet of God, the Lord has revealed this to you and we are in agreement with you and the Word of God is honored (Amos 3:7). **We observed TJD and also streamed it**”. *Bishop Joseph Nyarko, International Prayer Director, Action Chapel International, Accra - North Ghana.*

ENLARGEMENT MINISTRY, ABEOKUTA, NIGERIA.

“The walls of partition in the Body of Christ worldwide are practically coming down through The Jesus Dream vision.

When the June 30, 2016 **TJD** was approaching I got some handbills from the international office of **TJD** to distribute.

I gave one of the **TJD** handbills to a female Minister who is the head of a

white garment Church. She said she never knew we could ever interact. I felt same too. Actually, she mobilized her Church to observe **TJD**.

*Though my Church and her's are on the same street, we had never interacted as Christians even though we call on the same Jesus – until the **TJD** move”.*

TJD GOMBE

God's Glorious Tabernacle of Witness, GOMBE, NIGERIA

The Jesus Dream, Gombe, launched out on 30th June, 2015. It all started when we saw the **TJD** advertisement on **AIT** in 2014. We felt it was just for that year, not until we saw the advert again in 2015. Our hearts got connected to the vision, and we have been running with it since 2015 nonstop. **The experience of worshipping God at the same time worldwide never ends without a witness.** A church member who received their baby after a period of waiting said, she received a witness in the course of the worship that her season has come. Gbang! She got pregnant, shortly after. Many people have received their

healings and deliverances from **TJD** every now and then. **The spirit of men being lifted up to God in worship, irrespective of denomination, tribe or nation is overwhelming.** The most important thing is **God using TJD to reconcile the world to Himself and bringing about the unity of the church that is without walls or denomination.**

We are already looking forward to 2025 edition. God bless our Amiable "Preacherman and the team of **TJD**". God bless you for running with the vision. With love from **TJD**, Gombe Nigeria.

CHURCH GROWTH

The silent pain of most pastors is about the slow growth of their churches. But I always tell them that even our Lord Jesus had only the number of disciples God gave Him- *"...all those the Father has given Me"* (John 6:37). Pastors enter rest!

On the day of Pentecost, as the disciples declared the wonderful works of God in worship, people were attracted to them and 3000 souls were added to the church. That was the scriptural start of Church growth. Pastor as you observe this scriptural global worship hour, may the God of increase enlarge you on all sides.

Share about this global meeting with other pastors worldwide.

THE LARGE-HEARTED PASTOR!

Aaron the high priest approached God with **ALL** the tribes of Israel on his breastplate, not just his tribe. Lord Jesus, our High Priest approached God with **ALL** the Jews and Gentiles, not just the Jews. Pastors and all believers are now priests [Rev.1:6] It is time to approach God with the global body of Christ, not just your church or denomination. God wants to see us approach Him with the GLOBAL body of Christ in our hearts, then He will see us as men after His heart.

SEE!

WHEN GOD DOES HIS WORK

SPIRIT STIRRING

-A CLASSIC CASE-

Elder Felix Ohiwerei was stirred by God to support **TJD**. He sent in some money in March 2025 and promised to send some more but he never committed himself to a time frame. April and May 2025 went past. One morning, on June 6, 2025 I was teaching my senior son and my wife to always walk in integrity because it pays in the long run. Then I gave them one example.

I said for instance, Elder Felix Ohiwerei has promised to send some more money for **TJD** but I will never call him just to greet him because that will be like a silent reminder about the money he promised to send. But I am committed to praying for him daily over what he has given already. That is integrity. Even before God you need integrity. Some would have been praying for God to stir him to send in more money instead of praying for God to bless him for what he has sent already.

I told them that God in His own time will make Elder Felix Ohiwerei send the money when He, God needs it for His work. **God knows what He wants, when and how to get it from whom He loves for that project.**

We then left my bedroom and as I approached the office within the same premises, about 30 minutes after I spoke, the first caller on my phone was Elder Felix Ohiwerei. What? I was surprised. After some pleasantries he said: *"Please kindly refresh me with the account details."*

I did and he sent in the money. My wife and my son were "amazed again but not surprised" because it is God's pattern with me.

The next day I called Elder Felix Ohiwerei and told him what happened at our end. He was amazed.

On his own end, he said; *"I was at the Redemption City (Lagos-Ibadan Expressway) reading Open Heavens. Suddenly God said stop and send*

money for **The Jesus Dream** and I called your line immediately.”

The Lord told me to openly share the encounter and mention his name to make it authentic so that the younger Ministers can learn to trust Him. But I know Elder Felix Ohiwerei does not like his name mentioned when he gives but the Lord went ahead of me to touch his heart. I told him and he said; “Write it. Did it not happen?” God is able to finance what He wants done without begging, cajoling, threatening His children.

Sometime in February 2025, Pastor Femi Soremekun, the Senior Pastor of **Victorious Word Assembly, Abeokuta, Ogun State** paid a visit to the TJD International headquarters and asked to see me. We met and he said: “Our church agreed to save up some money for a project but suddenly, I heard

God's voice clearly that we should sow the money into TJD. He gave the sacrifice. That is how the body of Christ is run by the Holy Spirit.”

After Lord Jesus gave up His life willingly; His body also has to give willingly.

When you support **TJD** with your finances you are helping to mobilise God's scattered children globally in unity (organic union) for worship, because the blood of Jesus was shed to mobilise all of God scattered children globally (John 11:51-52). It is your most “sacrificial sacrifice”.

Elder Felix Ohiwerei is a highly respected Nigerian Christian Elder; one of Nigeria's Top Ten Boardroom Chairmen and a member of National Christian Elders Forum.

His family facilitated the TJD global jingle translation into Fulfulde Language.

When God gave Israel wealth in Egypt, it was to build His dwelling place (Exod. 25:2; 8). Today, He has given us wealth for the same purpose - His dwelling place which is now in our Organic Union (Eph. 2:22).

Also Ministers must learn to rest. Moses simply asked for the offering and rested. The secret of rest is in the “gift of contentment.”

For **TJD** it is a privilege when God stirs your heart to give your wealth for it by revelation (2 Cor. 8:4)

Prayerfully let Him use your wealth for this house He dwells.

Get Ready

- THE SPIRIT IS

moving

I called on Rear Admiral Peter Adeniyi (Rtd), on Saturday June 7, 2025. After we had the necessary pleasantries, he said; *"Preacherman, I actually had it in mind to call you. In the last three days we have been making contacts getting ready for **TJD** to be on ground in my state."* He said; *"Can I send you my chats about it except that they are written in my native dialect."* I said God forbid that I should doubt you.

Now he is mobilising his native people to join the world to worship God at the same hour. God saved people from all tongues and languages to worship Him but it will take discerning believers to mobilise the people to do God's will.

What a way to be eternally blessed. God seeks for worshippers (John 4:23) and here is a man raising worshippers for God by God's grace.

What are you doing with **TJD** in your locality, state, nation and globally. You have God's grace too, not just to receive but to give back.

PRESIDENTS *of* NATIONS

A few hours after **TJD** 2015, God told Preacherman; “Start preparing for **TJD** 2016”. As soon as we came to the office on July 1, 2016 a letter of goodwill concerning **TJD** was brought to Preacherman’s table from ***His Excellency, Nana Akufo-Addo, President of Ghana.***

On June 27, 2014, just before 2014 **TJD** we received a letter of encouragement concerning the spread of **TJD** from the **President of Nigeria; His Excellency, Dr. Goodluck Ebele Jonathan GCFR; GCON.**

GLOBAL ELDERLY FATHERS

Very renowned elderly global fathers of faith have played their roles in **TJD** before departing.

Pat Robertson, Chairman of the Board, Christian Broadcasting Network (CBN) VIRGINIA BEACH, USA, which was America’s first Christian television broadcasting network wrote in to pray for **TJD** on April 28, 2016.

Dr David Yonggi Cho, Chairman of the Board Church Growth International and Pastor of **Yoido Full Gospel Church (Pastor of the largest congregation in the world)** wrote in on June 28, 2011 and came in agreement with Preacherman over **TJD**. He wrote back that he observed the hour on June 30, 2011.

ONE KINGDOM

“Dear Preacherman Ehimika,

*It is with great delight I chose to write to you today. Your ministry had mystified me. As silent as you appear to be yet making great impact in lives, encouraging and assuring us all of our place in Christ Jesus and of **our Unity as citizens of One Kingdom**.*

Thanks for staying faithful. You are loved. GO ON my beloved brother. We are praying for you.”

TJD EXPERIENCES

There have been many experiences before, during and after each TJD. Enjoy a few here.

I Saw Jesus In The Sky

During the June 30, 2015 edition of TJD, I was with members of my family worshipping. Suddenly I saw one whom I believe was Jesus suspended in the sky, wearing a white robe and having a turquoise blue sash from his shoulder across his body. He was there for quite some time, but I tried to concentrate on worshipping instead of just looking. Then I eventually got engrossed in the spirit of worship till the hour ended.

I SAW CIRCUMCISION OF BELIEVERS

"At exactly 8:30pm, half way into **The Jesus Dream** hour, the Lord revealed how an old man went in for circumcision; even at old age... men's hearts being circumcised."

Rev. Adamu Eugene, The Word In The House, Kaduna, Nigeria.

I saw the Writing on the Wall

After I led my congregation in the TJD hour, I suddenly saw on the wall - *The sure mercies of David.*

TJD CALIFORNIA, U.S.A

"Three families from **Foursquare Church** and the **Catholic Church** came together to declare the wonders of God at the TJD hour after listening to **Liberty Today** radio programme by **Apostle Jesse Don Brown** through the internet and it was an awesome time."

TJD SHEFFIELD, U.K

Here in Sheffield we partook in **The Jesus Dream** event in Edifield. Our neighbours dislike noise. We had to send an apology letter because of the police but instead of complaining, they wrote a note that they enjoyed it and that it reminded them of when they were young. Praise God.

TJD, THAILAND, ASIA

I slept and suddenly woke up at (1am) Bangkok time to observe **TJD**. I really thank God for enabling me. Things turned around for me. I challenge everyone around the world to join **The Jesus Dream** hour.

Mr. Femi A. Bangkok, Thailand.

TJD AT BEER PARLOUR

On my way home to observe **TJD**, it started raining and the only shelter around was a **beer parlour**. I ran in and sought the owner's permission to worship silently there. I took a chair and moved to a corner to observe **TJD**. After I had finished, I went to the owner of the beer parlour and told her that just as Jesus used Peter's boat, so shall her story be, and all the customers who were drinking beer screamed "Amen".

Mrs. Saka Bolanle., Abeokuta, Ogun state, Nigeria.

ANGLICAN PRIEST - LIVING ROOM FILLED

An Anglican priest in Igbore, Abeokuta, Ogun State, Nigeria decided to hold **TJD** in his living room probably because he was not expecting many people. The room was filled and they decided to move to the church auditorium and again it was filled up with people who saw the **TJD** adverts in various media.

TJD TEXAS, USA

I went on a holiday in the USA. While sitting at the back of the church- **Church of the Nations Houston, Texas, U.S.A**, suddenly, I heard **TJD** announced from the pulpit. I was overwhelmed with joy because I knew the visionary and the base from which **TJD** began. I came back to Nigeria and observed **TJD** and shared my experience with him and his then Senior Special Assistant, Daniel Usifoh. This vision is reaching the ends of the world.

THE JESUS DREAM

WORLDWIDE WORSHIP HOUR

is an hour, at 9 pm Jerusalem time,
(all countries correlate their time),
on June 30, each year when Christians
all over the world, in unity worship
God, like the day of Pentecost
(Acts 2:11),
wherever they are on earth,
(Church, homes, hotels, offices,
hospitals, prisons, aircraft, parks etc.),
at the hour.

Imagine Christians
in
AFRICA, ASIA, AUSTRALIA,
ANTARCTICA, EUROPE,
SOUTH AMERICA & NORTH AMERICA,
Declaring the wonderful works of God
IN UNITY AT THE SAME HOUR.
