

TJD BREAKING NEWS

WALLS CRUMBLED 2025 TJD RESPONSES 44,398 CITIES WORLDWIDE

At The Jesus Dream (TJD) hour of June 30, 2025 walls within the global church of Christ crumbled massively like never before since the day of Pentecost when the **wonderful works of God were declared together as the first act of worship**. No one can have an accurate record of the number of people that worshipped at the same hour but in 48 hours, when we opened our portal we received responses from 44,398 cities across the world where TJD was observed. In 2021, we had about 2,600 responses. Thank God for those who facilitated TJD English jingle into other languages.

THE AZUSA 1910 PROPHECY & THE JESUS DREAM 2010 Manifestation

In 1910, **William J. Seymour** said that in about 100 years, there would be a revival greater than the day of Pentecost and greater than Azusa Street. He said it would not be in a place but many places worldwide and it would be like a tsunami of the Holy Spirit." We got to know about this prophecy on June 24, 2025.

NIGERIA EXPERIENCED TJD JINGLE RADIO BLAST IN 39 LANGUAGES

On Wednesday, June 25, 2025, from Abeokuta, Ogun State, Nigeria TJD radio jingle in **Yourba** and **English** began. And on Sunday June 29, 2025 it went around the length and breadth of Nigeria, reaching villages and farm houses in 37 Native languages, **Pidgin** and **English**.

THE AZUSA 1910 PROPHECY

Contd

The Jesus Dream (TJD) started in 2010. Exactly 100 Years!. The (TJD) advert starts with the **Holy Spirit** invites... not a Ministry name and **TJD** is spreading all over the world not in a place. Imagine the 2025 response from cities.

TJD worship is the exact first act of worship on the day Pentecost- **declaring the wonderful works of God** (Acts 2:11); not singing, preaching or praying.

The Holy Spirit is restoring the very **first act of worship** when the church was born back to the church through **TJD**. For the discerning this is it! Act your script in the body or watch but God and His children are moving visibly.

TJD JINGLE RADIO

Contd

It continued on Monday. You would hear for instance; *"This is Radio Nigeria Sunshine FM 88.1, Potiskum"* and then **TJD** jingle would be aired. It went round Nigeria like that. Nothing of this magnitude has ever happened in Nigeria. There was no reference to a Minister or any church denomination. It was the **ONE** body of Christ. *Partners you are highly favoured.*

WHEN GOD PAYS HIS BILLS

We printed three magazines in June, and made deliveries through courier companies twice. We engaged in national and international **TJD** adverts. The project cost huge sums of money, but all bills were paid in full as at 5:00pm two hours before the **TJD** hour which was 7:00pm Nigerian time on June 30. Adverts ran till 6.00 pm. There were no incentives dished out to believers to stir them to give. They were stirred by the Holy Spirit to give willingly, and we had enough, for TJD 2025.

God said:

"You cannot have Me in your midst while you are in financial debt over My dwelling place."

PASTORS ON THE *Move*

The June 2025 **TJD** recorded a high number of Ministers mobilising their members. Many churches joined for the first time. Some printed their handbills and banners. One Minister in Benin City, Edo State, Nigeria traded his pre-recorded radio broadcast air time for the advert of the **Bini, Pidgin** and **English TJD** jingles. A lot of Ministers' put on the adverts on their church and personal social media platforms.

PASTORS *Speak!*

1. June 30, 2025 was the end of the year! **Rev. N.B.**
2. Preacherman, without any further effort from you, TJD will go on smoothly until Christ returns. It is scripturally grounded in our hearts. **Pastor A.O.**
3. Gamaliel said if this be of God, you cannot overthrow it. That's TJD! With TJD 2025 it is obvious it has come to stay. **Apostle O.J.**
4. Some of the leading Ministers in Nigeria who ought to support this vision seem unable to discern it, as they remain focused on building physical structures. Yet, God is using this to teach us a powerful lesson. We are grateful that TJD has caught divine fire and is expanding on every side. Its time to look with spiritual eyes. **Rev. Dr. E.E.**

Plus many more

When there is an original unfolding of the revealed Word by the Holy Spirit through a Minister, such a Minister's work will last because it is rooted in the enduring Word.

PARTNERSHIP

Payerfully partner with this ministry with a free-will offering from July 2025 to June 2026 (17th **TJD** gathering) for the printing and spread of **The Jesus Dream Classics** - a monthly magazine for Christian Executives to teach on **TJD**. It takes revelation to bring a revolution.

-IT'S A ONE YEAR PLAN FOR ONE HOUR WORSHIP -

Arise! sponsor the organic translation of TJD jingles into languages.

TJD Partners! *Remain Eternally Blessed.*

VISIONARIES: BE INTENTIONAL!

*I*n this ministry we have specific instructions from the Lord:

- (1) Don't ask people to give to receive something from the Lord.
- (2) Don't invite people for worship to expect miracles.
- (3) Don't sell any Christian literature.
- (4) Don't use your Ministry Name to invite believers for fellowship.
- (5) Don't put your pictures or name on adverts.

A. God told me to close down the church I had run for 15yrs; never to invest in any money-making venture and not to travel abroad yet.

Doing any of the above will be wrong for me but not for others.

B. So, I am at a spot in Africa influencing the global church in an unprecedented manner. God will make you weak to use you strong so that all will know He is at work not a man. I have nothing to boast of; not even long hours of prayers and fasting. I just send out the insights He gives me for the body with my **unique approach** that many misunderstand but yielding visible results. God told Hosea to marry a harlot: that instruction it is not for all of us to do. But whatever the Lord instructs you to do, make sure you do it boldly. He told Moses to follow the instruction He gave him on the Mountain.

C. **Hosea, marry a harlot but Emmanuel, marry a virtuous woman. Paul continue with your tent making business but Peter, stop fishing.**

A Ministry by God's grace is a success first by following the pattern given the Minister not because of it's outward result.

The uniqueness of a Ministry and God's purpose for it determines the unique instructions the Minister will be given.

The Life of IMPACT

Making Enduring Impact with Integrity for Eternal Reward

- In 1982, we pioneered **Academic Motivational Talks** in Nigeria. The unprecedented impact across Nigeria, made the Federal Government through her Agency invite me to address the First Ever Lecture on Character Formation in Nigeria on May 3, 1996 at the National Theatre, Lagos, Nigeria.

the **Ministers Alive Magazine**, launched as a voice of revival for all ages of Ministers. Hard copies swept through Africa, drawing attention from world-renowned Christian leaders with amazing testimonies and commendations.

(www.theministersalive.org)

On April 28, 1993, we pioneered the **First** Christian Television Ministry – **Hour of Refreshing** on NTA in Abeokuta, Ogun State, Nigeria, it was one of the few Christian Ministries on air that impacted many listeners in South-West Nigeria.

In 2001, we started the **Strategic Mothers Fellowship** - A God-breathed initiative that attracted Nigeria's leading women and renowned foreign leaders—shaping children to fulfil eternal purposes.

On November 2004, we started

In 2015, we presented a classic coffee table book on Christian leadership to Presidents, Kings, Mayors, Governors, Judges, and global influencers across nations such as Canada, England, and the USA. It was also received by prestigious institutions including the British Council, UN Library, British Museum, and Goethe Institute—drawing remarkable commendations and powerful testimonies.

On June 30, 2010, we outset **The Jesus Dream Worldwide Worship**

Hour – Uniting the global body of Christ in worship for God's magnificent Dwelling. It's today a global phenomenon—pulling down walls of division and uniting the Body of Christ globally, in the **first** act of worship.

We have invested over one billion naira (₦1B) in printing and freely distributing world-class literature across the nations. Yet, we lay claim to no material possessions—and this is intentional. God never designed money to be hoarded, but to be a tool for eternal impact.

Watch out for the **Life of Impact**, teaching the old and the next generation;

Make Impact that Endures with

Integrity for Eternal Reward

Talks and writings with **facts**, and **figures** that inspire and the raw **PROCESS** (*suffering! suffering!! suffering!!! wisdom, power*) for having fruits that will endure for eternal reward.

Leaders hear me:

Our souls will be saved by grace but our works will be saved only through fire.

Follow Scriptural Process!

Emmanuel O. Ehimika

(**Preacherman**) encountered salvation during the vibrant **Scripture Union** revivals of the 1970s. A witness to the “old house,” he now draws from that deep well of experience to serve and strengthen both emerging and established leaders in God's house.

CHURCH HEAR ME!

Grace will save our souls to make heaven but grace it will not save our works. Our works will be tried by fire to be "saved" for our crowns (1Cor. 3:11-15). Watch how you walk and work. Walk in humility and love. Let them be the root of your work for eternal reward.

EMMANUEL Oje EHIMIKA Preacherman.
