ENCOURAGING CHRISTIAN LEADERS AND FOSTERING UNITY

**THE MINISTERS ALIVE — TJD NIGERIA SPECIAL**

# NIGERIA READY TO IGNITE *the* WORLD'S MOST UNIFYING CHRISTIAN *Experience*

**A**s of June 1, 2026, when you are reading this tabloid, Nigeria is passing through difficult times. The Church in Nigeria, in particular, is under attack. Even more troubling, members of congregations are turning against church leaders. But perhaps the greatest danger of all is that, as priests, we are making the wrong declarations about Nigeria. We are speaking only what we see, thereby limiting the Holy One of Israel.

Our God is the One who calls those things which do not exist as though they are. We are created in His image and likeness to do likewise, always, not only when things are going well. God created His world with His Word. In the same way, we are to shape the future of Nigeria with our words. This is the starting point, even before the calls for

fasting and prayer. God instructed us, "Let the weak say, I am strong." That is how the Kingdom operates. God has a purpose for Nigeria. We must not forget the prophecies spoken over this nation by our fathers simply because we have been passing through deep waters for a long time. We must hold

**TELEVISION

firmly to those prophecies. If the leaders of the Church in Nigeria will lay aside their pride and come together in an **organic union** cemented by **love**, not merely a **unity** built around those in **"my camp"** there is nothing we decree that will not come to pass. Hear what God said concerning the people of Babel:

*"The people are united, and they all speak the same language. Nothing they set out to do will be impossible for them." (Genesis 11:6)*

Nothing the Body of Christ in Nigeria sets out to do will be impossible when we pull down walls dividing us. Yet we often attempt it as separate denominations. That is why we are not fully manifesting the glory of the Church. Each minister wants the glory but God has reserved it for the body not a part.

***Just as we are in the world but not of the world, so we are in denominations, but never designed to be denominational in spirit.***

God is waiting for Nigerian church leaders to put denominational interests aside and carry the Body of Christ upon their hearts, just as Aaron carried all

Israel upon his breastplate, and as Christ carried both Jews and Gentiles before the Father.

There is a difference between fasting and praying to God and making decrees over our nation. Scripture declares that we shall decree a thing, and it shall be established. Its not all the time we talk to God. Sometimes He expects us to talk to the situation. The first weapon we carry into battle is our words. David and Goliath fought with words before weapons. Therefore, let us not speak negatively about

Nigeria. Let us keep speaking what we desire, for God said: ***Whatever I hear you say, I will do.***

Our God often waits until all hope appears lost before He moves. He brings honey out of the carcass of a lion. He allowed Israel to reach its darkest hour in Egypt before suddenly bringing deliverance. He allowed Abraham and Sarah to be past age before He moved. God has not changed.

God has prepared Nigeria to ignite a global unifying experience at this time, using a divided nation to unify His global Body. That is how you know God is at work. He uses the foolish things of this world to confound the wise. That is why I am expecting His salvation for Nigeria in His appointed time.

This is an opportunity for God to reveal Himself as the Lord of all the earth. We are called to declare the wonderful works of God at a time like this during the unifying experience. It was such declarations that caused the enemies of Israel to tremble. Hear Rahab:

*"For we have heard how the Lord your God made a dry path for you through the Red Sea... No wonder our hearts are melting in fear." (Joshua 2:10-11).*

As the wonderful works of God were proclaimed, terror fell upon Israel's enemies. Yet today, we find ourselves being terrorized, even during church services.

God told Moses: *"Beginning today, I will make the people throughout the earth terrified because of you." (Deuteronomy 2:25).*

People are to fear us, not we fear them. The church is in charge on earth, but lack of contentment and pride is making us run from the enemy.

As we spread the **TJD Unifying Gathering** throughout Nigeria and the nations of the world, let us watch and see what the Lord will do to honour His Name in Nigeria. Make calls to media houses to sponsor the call- to - worship **TJD** jingle and visit our website to download same video in other major languages of the world and share to raise worshippers globally.

***"Then You put leaders over us. We went through fire and flood but You brought us to a place of great abundance"***  
***(Ps. 66:12).***

**Nigeria will shine forth the glory of the God of creation!**

# THE GREAT CONNECTION

**Mr. Charles:** Hello! Am I speaking with Radio Ocean 555 FM?

**RO 555 FM:** Yes, good morning! How can we assist you?

**Mr. Charles:** I have a one-minute call to worship Christian jingle for a global worship hour. What's your rate per slot?

**RO 555 FM:** How many slots are you considering? Is this the TJD jingle?

**Mr. Charles:** That depends on your pricing... and wait—how did you know about the jingle?

**RO 555 FM:** A slot goes for N8,000. But if you take four, we'll give you N6,000 per slot. And yes—we've been getting calls from different locations already booking it.

**Mr. Charles:** Wow, that's powerful! Alright, send me your official account details - I'll take four slots to start.

**RO 555 FM:** Done! What days and times would you prefer?

**Mr. Charles:** Go ahead and schedule them during prime time.

**RO 555 FM:** Noted. Thank you very much!

**Mr. Charles** (praying softly): Father, thank You for choosing my family to raise worshippers unto You. The walls of denominations are truly coming down through TJD.

*(Mr. Charles places a call to a friend)*

**Mr. Charles:** Bishop, thank you for bringing me into this move of God. I've just booked some radio slots—and I'm planning to expand across Nigeria! ***I'm so glad that through my family people in my native home will join the global hour.***

**Bishop Bylon:** Glory to God! This is a divine move from Nigeria to the nations. We've waited for this. Please extend my love to your family. We will meet at His feet at the glorious hour.

**Mr. Charles:** Sure! By His grace. Thank you, sir!

The Israelites left Egypt with wealth and God requested for it back to build His dwelling in their midst (Exod. 25:2; 8), and they gave it in abundance (Exod. 36 :3-7). Our wealth builds His presence. Support TJD by this revelation.

When you celebrate the grace in others, you provoke the God of grace, for great grace in your life.

**A**dam opened his eyes in the garden. He saw the works of God and began spontaneous praise. He had no prayer point. By his mind set, he lacked nothing and feared nothing.

It is through praise for His works that we can see we are then enabled to worship Him for who He is. We were created to praise.

*"This people I have formed for Myself: They shall declare My praise." (Isa. 43:21; 1 Peter 2:9)*

When things go well, we praise Him. When things don't seem to go well, we give Him a **sacrifice** of praise, because in all things, God is working out our good.

It is called *nonsense praise*. It does not make sense but it makes faith. Hence, it is called a sacrifice of praise. A sacrifice is not convenient. We offer it because God deserves it. When we view what happens down here, from the perspective of eternity we will praise God at all times. But when we view what

happens purely from the earthly angle only we will find ourselves hopeless.

No wonder Prophet Habakkuk said: *"Although the fig tree shall not blossom... yet I will rejoice in the Lord, I will joy in the God of my salvation" (Hab. 3:17-18).*

Calling Nigerians to praise now is a sacrifice. But it's a sacrifice nothing should distract us from offering God. We need Him like never before to inhabit our praise.

On June 30, we will give God praise. The praise that does not make sense! Praise despite the painful experiences we are passing through for He deserves to be praised. This is how to bring God's will in heaven on earth.

**FAMILIES RAISING WORSHIPPERS!**

**W**e have been raising cement blocks for our physical church buildings which are needed for our comfort during worship.

God is calling us to raise living stones for the global building He dwells in by His Spirit. This is the building our Lord Jesus talked about when He said:

*"I will build My church..." (Matt. 16:18).*

While we seek miracles from God, He, God seeks for worshippers on earth

The Father is seeking for those who will worship Him in spirit and in truth (John 4:23). Just as we have raised stones for physical cathedrals, families are raising living stones for God's dwelling.

*"And you are living stones that God is building into His spiritual Temple"(1 Pet. 2:5).*

When you bring in worshippers for the **TJD** hour, you are being used by Christ to build His church because the building is ongoing now.

# GOD'S ONLY ASSET ON EARTH

**God created the heavens  
and earth (Gen. 1:1), but He**

# **PAID**

**for the Body of Christ- the church  
(Acts 20:28)**

**Honour the call for the Organic Union (unity)  
of the Global Body of Christ - God's only asset  
to be taken away from the earth.**
